

Anchored in community

You're Invited to Invest in Community and be a Kingdom Building Difference Maker in the Lives of Kids and Their Families.

The Why: Kids Matter

Children's Ministry *is* Community Ministry. And Children's Ministry without quality leaders is simply broken. You are invited to partner with AKC and invest in building the community kids need.

The What: Awesome KidMin Conference 2024

The Awesome Kidmin Conference 2024 (**AKC24**) is an interdenominational 2-day event in Winnipeg, Manitoba, whose purpose is to encourage, equip and empower children's ministry leaders and volunteers in their ministries.

The Theme: Anchored in Community

You know this, but nothing thrives outside of community – and ministry is no different. This year's focus on community is to remind kids ministry workers that they are not alone, and to encourage them to build community with each other, with their teams, and with the parents of the kids they serve.

The Ask: Be part of the AKC24 Make It Happen Team

1. **Join** our prayer team, by emailing info@awesomekidmin.com
2. **Contribute** financially. All contributions go directly to the costs of the conference, helping us keep ticket prices affordable, while at the same time offering a quality experience. Donations can be made directly on our website, or you can contact Cathy at info@awesomekidmin.com
3. **Donate** travel points to assist in covering the travel costs for our speakers who are not local.
4. **Stay** up to date with Conference information by subscribing to the AKC monthly newsletter via our website.
